

Mayor's Message

It seems like yesterday I was planting my spring flowers and preparing for another summer of seeing beautiful flowers and green grass. Well, I just pulled the many annual flowers from my flower beds, added mulch, and tilled them up to end the growing season.

I felt that the flowers around my neighborhood and town were exceptional this year. Our parks took on new looks as plants and bushes were planted and playground equipment was installed. However, a lot of that work will end now with the fall and winter seasons coming on.

Looking back I realized that there is a time and a season for everything. A time to plant and enjoy the beauty and a time to harvest and clean out the fading and wilting growth and make way for the new.

If we were to compare this to life in our city, we have experienced many great things in Lehi over the past season. We have new parks, new businesses are expected such as the outlet mall, restaurants, and the NSA will begin to build soon in our great city. These will all bring a breath of fresh air and give us something to look forward to.

We have done much by way of construction on our roads and have been planting the seeds for a beautiful spring. I appreciate the nice comments on Main Street from our good citizens who have tolerated much during this time.

With all the things going on it has plainly not been without challenges. Individuals have expressed their opposition in regards to several facets of our town.

I feel as though individuals and groups are creating contention to divide our great city. Contention never was and never will be an ally of progress. I understand that people have different opinions and we are entitled to them. However, I believe that our city can better progress with residents and leaders that praise and inspire, rather than criticize and contend. There are those among us that would rather lose a friend than an argument. It's okay to disagree, but do so without being disagreeable. I appreciate and respect a person that can take a stand, remain firm in their convictions, AND conduct themselves with calm assurance under all circumstances.

We must not be manipulated or enraged by those who foster contention over the issues we face today. Find ways to be of influence and participate in honest discussions.

There is too much mudslinging and not enough planting of beautiful things to prosper our city. It's time we put special interests aside, take off the gloves, and start planting and cleaning for a better and more unified city.

Politics are politics and as president Reagan stated, "It's the second oldest profession in the world, but it resembled the first. We don't have to have dirt thrown- this is a big sand pile and we can all learn to play nice".

Citizens of Lehi, try to envision a place where residents come together to plant flowers and trees to make our city beautiful; with everyone working together, talking together and listening together for a common goal to make Lehi an even better place to live. Let's do the best for Lehi, and our children's futures. Let's protect the values that we cherish and continue to make Lehi a place to come home to.

HOW TO ENTER: Visit participating businesses located in Lehi on Main Street between 500 East and 400 West from now until November 21, 2011. Ask for a “Main Street Money” entry form. No other entry forms will be accepted. Fill out the entry form completely and insert it in the official entry box. Do not mail or give your entry form to any other person.

YOU MAY ENTER ONLY ONCE PER DAY: No purchase is required to enter. You must be at least 18 years old to enter. Duplicate or incomplete entries will be null and void. Contest rules are subject to change without notice.

WEEKLY DRAWINGS: Winners need not be present to win. Every Tuesday all entry forms from the previous week will be collected by a Lehi City official and deposited into the raffle drum located in Legacy Center lobby (123 North Center). Drawings will held at 2:00 p.m. in the Legacy Center on Oct. 4, 11, 18, 25, Nov. 1, 8, 15, and 22.

WEEKLY PRIZES: Every Tuesday, twenty-one winners will be randomly selected. You may win only one prize per week. If your name is drawn more than once that week, you will win only the first prize drawn.

> The first 20 winners each week will receive one \$10 “Main Street Money” certificate which will be mailed to the winner, if not present.

> The final name drawn each week will receive \$100 worth of “Main Street Money” certificates. You may win the \$100 prize only once during the contest period. Winners of the \$100 prize may have their names and photos posted on the Lehi City website. Lehi City may also use their names and photos in other City materials without compensation.

These certificates may only be exchanged for products and services at participating businesses on Main Street. The names of participating businesses are listed on the back of each certificate. If the purchase is less than \$10, no change will be provided. All certificates must be redeemed by Dec. 31, 2011.
